About This Property

Peristeri Heights is a modern residential development offering a full range of 1- and 2-bedroom apartments, from compact studios around 29m² to spacious 2-bedroom penthouses reaching 60m². Units span ground floor through penthouse level, with thoughtfully designed, smart layouts that maximize comfort and functionality in every space.

Many apartments feature private balconies or terraces, while several penthouses stand out with expansive 60-66m² private roof terraces offering unobstructed Acropolis or Lycabettus Hill views. Select units also include parking and dual bathrooms for added convenience.

Shared amenities further elevate the living experience, including a fully equipped gym and a stunning rooftop terrace where the Acropolis and Lycabettus Hill frame the Athens skyline on either side.
